

# Förderverein der Grundschule Marienthal e.V.

We are a non-profit association registered with the Hamburg District Court - the

Förderverein der Grundschule Marienthal e.V. (Association for the Promotion of the Primary School Marienthal)

With a contribution of at least 15 € per year you become a member of the Förderverein. Higher donations are of course also very welcome!

The honorary board is elected by the members and administers.

At the beginning of the school year, each class receives 100 € for the class treasury. From this, the teachers can make smaller purchases flexibly.

The remaining funds are used for larger purchases that benefit all children at the school, e.g. books for the school library, supplementary teaching and learning materials, musical instruments, sports and play equipment.

We also sponsor events and courses at our school such as the annual reading nights, or the farewell of the 4th classes.

Everyone benefits! We have so far funded, for example:

- Funding for a first aid course during the street traffic action day.
- New books for the school library e.g. the colourful children's newspaper
- Equipping the football team with jerseys and footballs
- Purchase of picnic tables and benches for the schoolyard
- Purchase of additional 'Mickey Mice' (hearing protection) so that the children can concentrate better when working independently in class.
- Financing of break time games for the classes
- Playground equipment and vehicles for the schoolyard
- Basketball hoops and balls for the schoolyard
- a play kitchen for the pre-school classes
- organisation of a school flea market

...all this could be realised thanks to the funding ideas of the parents, the parents' council, the school management, the teachers as well as the educators of the Uhlennudelclub e.V.

We need you as a member as well in order for your kid to benefit from the activities:

You can obtain an application form on the Internet or from the school secretary's office.

The application form can be filled out and you can hand it in via the class teacher who will send it to us.

**Your contributions to us are tax-deductible.**

If you donate more than 200€, you will automatically receive a tax-exempt confirmation from us.

For smaller contributions, the bank statement is usually sufficient as proof for the tax office.

**Membership can be cancelled at any time.** Optionally, you can terminate your membership when your child leaves our school.

Please turn...

**We need active members! We need you!**

In order for the non-profit association to continue to exist, **we urgently need members who are actively involved** as well.

As in any association, several positions need to be filled (chairperson, treasurer, secretary, auditor & assessors).

**Involvement is easy and does not take a lot of time!**

We meet about 4 times a year, where we vote on funding applications in a convivial atmosphere and discuss other activities of the Friends. - Please feel free to get in touch.
